## WARRANTY DETAILS

This Warranty is not valid or effective if the products are not installed according to the installation guide. Improper handling of the products automatically terminates and nullifies this warranty. Improper care and cleaning will void the warranty.

Warranty period will start from the date of invoice and shall automatically terminate upon the expiry of the warranty period even if the products has not been installed after purchase or has been in the use for any part or whole of the warranty period for any reason whatsoever.

In the event of any repairs/replacement of any parts of the product, this warranty shall thereafter continue and remain in force only for the unexpired period of the warranty and no extension of the warranty period will be granted. This warranty is only applicable for the manufacturing defects and under no circumstances the manufacturer will be liable for any other defect caused due to indirect, incidental and consequential damages of any kind.

This warranty is only effective if the defective product is substantiated with the proof of purchase such as invoice copy/warranty card. This warranty remains applicable only if the product has at all times been used strictly in accordance with the terms of this warranty and has not been improperly or negligently handled.
